

WESTERN DAKOTA TECH FOUNDATION

Have Your Pick Workforce Development Program

WE INVITE YOU TO HAVE YOUR PICK of a Western Dakota Technical College student. This program is designed to provide businesses highly-skilled employees. As an industry partner sponsor, you will help students who have a great level of commitment to your industry build their career with you!

WHAT YOU DO

Industry partner sponsors pay a portion of a student's program cost, and the Build Dakota Scholarship Program pays the remainder. There is no obligation of funds until you "Have Your Pick."

WHAT YOU GET

By sponsoring a Western Dakota Technical College (WDTC) student, you can build your team of talented highly-skilled employees that can help you deliver the best service.

- Gain an employee that wants to build a career with you by sponsoring an employee within your own business or sponsor a WDTC student.

Donor Partnerships – Contributing to overall Build Dakota Scholarship Program without individual student sponsorship. Contributions go into overall funds used to award Build Dakota Scholarships. Organizations interested in donor partnerships can contact the Build Dakota Program Manager, Deni Martin at deni@builddakotascholarships.com. If you wish your funds to be specifically for Western Dakota Technical College Build Dakota Scholarships, you can stipulate that during the donation process, and they will ensure the funds are allocated accordingly.
